Visiting Hours

- The Principal: 12 noon to 1 pm
- Teachers: 1 pm to 2 pm

Parent Teacher Interaction

The School appreciates the parents' implicit faith, continued support and concern towards the progress of the school and understands the role they have to play in the life of their wards. As their support and co-operation is crucial to the teacher, our duty is to shape the minds of the students and mould their personality. Needless to say, a student's progress is a matter of great both to the parents as well as the teacher and with a view to sharing this, PTI's are organized at regular intervals besides normal communication through telephone and the Almanac. Parents are invited to participate in discussions and join the various activities organized in the school.

Our belief is that a co-ordinated effort by parents and teachers can give our students the strongest base for an all round growth development.

Parents Teacher Interaction is held as per the following schedule:

1. July
2. September
3. November
4. January

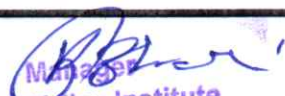

Students are required to come to the school in proper school uniform along with their parents.
